Dear Parents/Guardians,

New Meal ordering system

We are rolling out a pre ordering system for our pupil's meals to ensure we have the correct amount of food and to prevent waste.

Our school menus operate on a three week rota for one term, if your child regularly has a school meal please could you make the selection on the attached sheet - this can be for one or more days a week. Once received, we will order the selected meals for your child each week unless you advise us differently.

If your child decides they no longer like a particular meal or would like to try a different one, please just contact school, or call into the office for another ordering sheet. There is a blank form on our school website also.

Thank you for your help with this new system. Please can we ask for those parents who pay for meals, that your child's Parentpay account is kept **in credit** for meals, if you need any help with this please ask at the office.

We will send out the Spring term menu and order form in December

Yours sincerely

Mrs R Kaufman
